

Columba Leadership (columba.org.za) is an NGO that activates youth enterprise and employment by helping young people transcend their personal circumstances and offers meaningful social impact to all investors.

Faculty – Gauteng Province

The core purpose of the Leadership Academy Programme is to activate the inherent potential of young people in disadvantaged communities. The Leadership Academy aims to support young people to look beyond these circumstances and seize hold of their own capacity to make a positive difference in their own and in their schools and communities.

The role of Faculty is to lead a process of learning for educators and learners, the role requires facilitation of concepts and principles as per the Columba Programme elicitation model using both verbal and non-verbal techniques that are appropriate for the development of participants. The bulk of the work takes place in the context of a 6 Day Residential Academy.
